

Welcome to Highlands Cooperative.

*We are glad that you are interested in
becoming a member of our community.*

Highlands Cooperative, a nonprofit Corporation under the laws of Michigan, was formed to provide reasonably priced housing to qualified members. As a Member, you would share in the ownership. Unlike condominiums, you do not own the individual townhome; nor do you have the liability of a mortgage or tax responsibilities.

Highlands Cooperative spans over 26 acres, with beautiful landscaping, trees and shrubs, as well as many personal touches created by the Members who live here.

There are one, two, and three bedroom townhomes which means that no one lives above or below you. It also provides you with your own private front and back entrances and spacious full basements. A place you will be proud to call home.

Highlands Cooperative offers a full service staff to meet your everyday needs. The staff consists of office staff, maintenance staff and grounds staff. The Cooperative also offers exterminating services, lawn and tree care, and member activities.

Decorating your townhome is encouraged. Your personal touches make your townhome more comfortable and enhances the down home feeling.

Highlands Cooperative is located on the southside of Lansing close to shopping centers, great dining, movie theaters, parks, health clubs, public transportation and I-96.
