Member Concerns

Julian James, 6137 Haag

Julian read a letter that he wrote stating how much he likes living at Highlands. He also had some suggestions for involving kids such as a Board meeting for kids to give their ideas and have games and other activities for kids/families living at Highlands.

Amanda Morris, 6144 Balfour

Amanda made a suggestion to improve the park for kids to play. Moles commented that the park belongs to the City of Lansing. He will check with the Parks and Recreation Department with the city and see if some improvements could be made to the park.

Sharon Johnson, 6123 Haag

Sharon asked if anyone knew of anything happening with the Riley Mobile Home Park property. No one had any information.

Sheila Kniffen, 6267 Balfour

Sheila asked about the website and how much longer until it will be available. Miller told her that it is being worked on with no time frame right now. She asked Members in attendance to email her ideas for the website.
