

## BARBECUE GRILLS

Barbecue grills are not to be used in front of the townhouses. All grills must be stored on a deck, patio, maintenance strip, or the cement slab at the bottom of the back steps.

Grills must be a least 10 feet from the townhouse when in use.

No grills may be attached to any conduit, utility poles or the exterior of any building.

Gas grills cannot be connected to the inside gas line.

Do not pour ashes on the lawn/flower bed area. When ashes are cold, place them in a plastic bag, tied shut, and then put them in the dumpster.

**NOTE:** Barbecue grills are not to be used inside the townhouse.
