

VEHICLE WASHING

Vehicle washing can only be done by Members or registered occupants of Highlands Cooperative. Vehicles of friends and family are not to be washed on Highlands' property.

Vehicle washing must be done in the parking lot only. No vehicles are allowed to be driven on the lawn or sidewalk.

A nozzle must be attached to the end of the hose so that the water can be turned on and off.

Reminder: When a Member needs to go into another Member's flower bed to hook up the hose, the Member should take extra care to ensure that he/she does not damage the shrubs or flowers.
